# Munich Day Trip

Tuesday, July 8

## SEE MUNICH LIKE A LOCAL - BY BIKE!

On Tuesday morning after Challenge Roth, we will depart for downtown Munich. Upon arrival into the pedestrian-friendly area of the Marienplatz, we'll go on a private guided tour of the coolest city sights on a hybrid or cruiser bike. The tour is 4 hours, and covers a total of 4 miles with around 8 stopping points for photos and historical commentary and context. A stop at the world's 2nd largest outdoor beer garden is on the agenda, so bring along a few Euros for lunch. (Vegetarian options)

The bike ride is an easy, pleasant pace and concludes in the Munich Marienplatz area. Dinner choices here are plentiful and you will have time to dine, do some shopping, and perhaps have a toast at the world-famous Hofbrauhaus. At our Munich meet-up point, we will gather and transfer back to our Challenge Roth hotels in Nuremberg and Roth. It's time to pack up for our next stop...Prague!

# Prague Car Tour

Wednesday, July 9

## SEE PRAGUE IN CLASSIC CARS

As has been tradition on the Best of Bohemia Tour, we kick things off with a 90-minute grand tour in classic cars. This is a great introduction to Prague as we will stop at key points along the way (that's the Presidential Palace above), and we conclude the tour at the famous John Lennon wall. Before democratic freedom swept into this country, citizens would defy the authorities and draw messages and artwork on this wall. It stands as a reminder that the people of Prague are some of the most creative, artistic, and expressive you will ever meet. Prague continues to inspire us with every visit.

Named for its creator, the long-time beloved concierge at the Mozart Hotel, Alan's Loop is a great route that can be done at your own pace to take in sights like Prague Castle, St. Vitus Cathedral, the Mala Strana neighborhood, the Charles Bridge, Lesser Town and more. At our Welcome Gathering on Wednesday afternoon, Alan will show you the highlights of his favorite walking route and provide the easiest way to see the top sights in Prague, all within our neighborhood. Don't worry, this route is easy on the legs, as once you cross over the Vltava, it is a gradual downhill path with everything you want to see along the route, ending back at our hotel.

## OUR CRUISE ROUTE

# Walk / Run

## WALK / RUN ROUTES

After Challenge Roth you may be feeling some of the residual effects of Sunday's race. We provide a scenic loop route from our hotel that circles the Old Town, across the Charles Bridge, down into the Mala Strana neighborhood, back across a bridge, and up a few blocks to your starting point, the Mozart Hotel. The city of Prague has made some recent improvements to this popular 5km route, paving portions and designating it as a bona fide bike and walking route. Should you want to return back to the hotel with a shorter effort, all you need to do is cross the Vltava river at an earlier bridge than what is pictured on our map. The route is essentially flat, and offers excellent photography view points as well.

This completely optional activity can be done at your leisure, but for a quieter outing we recommend the early morning hours. Prefer a spa treatment? Our hotel offers an array of body treatments, massage therapy, a sauna, and even a hair and nail salon onsite for your post-race recovery.
